

Use of Facilities and Events Policy
-------------------------------------

Fiscal
--------

Effective Date: November 19, 2018
-----------------------------------

Approval Date: November 19, 2018
----------------------------------

- (1) Dixie Tech facilities (including venues, buildings, grounds, real and personal property) are established and maintained primarily for the use of the college to accomplish its academic purposes, and generally these facilities do not constitute a public forum available for general use by persons or organizations.
- (2) Permission to use college facilities for appropriate mission based activities may be extended to outside persons or entities provided that:
  - (a) The activity is directly related to the:
    - (i) Occupational training or development of the community's workforce, or
    - (ii) Economic development of the community;
  - (b) The activity complies with the college's policies and such guidelines as are established by the Executive Team;
  - (c) Fees are paid in accordance with a schedule established by the Executive Team, which fees the college at its discretion may prorate or waive; and
  - (d) The activity will not interfere with or disrupt the college's academic operations.
